

ACM Career Week

Reflections | Projections 2018
University of Illinois
at Urbana-Champaign

Hello!

We would like to invite you to participate in Reflections | Projections, our annual tech conference and career fair hosted by ACM@UIUC and the University of Illinois Department of Computer Science. You can get involved with RIP and have the opportunity to participate in our career fairs, offer workshops or tech talks, and hold unique events to engage students and build interest in your company.

The start of the conference is dedicated to companies like yourself! We will have a variety of corporate opportunities from **September 17th to 19th**, with a startup fair on the 18th, a career fair on the 19th, and corporate events throughout this time frame as well.

The next page has more details on how you can participate in RIP. If you have any questions, please reach out to us at rp-corporate-l@acm.illinois.edu.

We look forward to working with you to make Reflections | Projections a valuable experience for both your company and our students.

Thank you,

Reflections | Projections Corporate Committee
