R|P Career Week

Reflections|Projections 2018
University of Illinois
at Urbana-Champaign

Hello!

We would like to invite you to participate in the Startup Fair at Reflections | Projections, our annual tech conference and career fair hosted by ACM@UIUC and the University of Illinois Department of Computer Science.

The Startup Fair will take place on **Tuesday, September 18th, 2018**, and there will be networking events throughout the entire week. Reflections | Projections 2018 will take place from September 17th to September 22nd. With all these events occurring over an entire week, there are opportunities to offer workshops and give tech talks to reach out to the incredibly qualified students at the University of Illinois as well as students from around the midwest and the nation who attend the conference to increase awareness and interest in your organization.

The next page has more details on available options. If you have any questions, please reach out to us at rp-corporate-l@acm.illinois.edu! We look forward to working with you to make Reflections | Projections 2018 a valuable experience for both your company and our students.
Thank you,

Reflections | Projections Corporate Committee
